EDUCATION

MSc Cybersecurity and Data Communication August 2024 -
Norwegian University of Science and Technology
Currently a third year student (graduating 2029). The program combines computer science, networking technology, and cybersecurity principles, with an emphasis on practical problem-solving, systems thinking, and risk management.

EXPERIENCE

Summer Journalist June 2026 - August 2026
Firda Media AS
Worked as a journalist at Firda, a local newspaper covering Førde and the Sunnfjord region. Responsibilities included developing stories, conducting interviews, taking photographs, and producing content for both digital and print publication.

Summer Cleaner Summer 2024 & 2025
Helse Førde
Responsible for cleaning and maintaining patient rooms, common areas, and clinical facilities in accordance with strict hygiene and infection-control procedures.

Summer Receptionist June 2023 - August 2023
Thon Hotels Førde
Worked as a receptionist at Thon Hotel Førde, handling guest check-ins and check-outs, reservations, customer service, and daily front desk operations. I also assisted with bar service, including serving drinks, handling payments, and helping create a welcoming atmosphere for guests.

Volleyball Athlete 2016 - 2021
Førde Volleyballklubb
Competed in Norway’s top volleyball division with Førde Volleyball for five years, winning three national championships and two league titles at the highest level in Norway. Developed strong skills in teamwork, discipline, communication, and performing under pressure in a highly competitive environment.

EXTRACURRICULAR ACTIVITIES

Volleyball Coach August 2024 -
NTNUI Volleyball
Coached volleyball for NTNUI woman’s first & second divisjon, planning and leading weekly training sessions focused on technical development, physical conditioning, and match preparation. Guided the Women’s First Division team to a third-place finish in the 2024/25 season.

Sosial Media & Website Coordinator February 2026 -
NTNUI Volleyball
Promotion of matches and events for NTNUI Volleyball across different sosial media platforms, aswell as managed and maintained the organization's website.
